NOTICE TO SAILORS

If you are a racing sailor, you don't have a boat in Trieste but you want to attend the Barcolana, the event Organizers, Società Velica di Barcola e Grignano, have the right solution for you!

At this edition you can register to Barcolana as a Sailor: the yacht club will include you in a competitive crew of Ticket-To-Race sailors just like you.

You can now sign up for a regatta as a Sailor and not just as an boat owner!

Each boat will have its own skipper: in the training session of Saturday you will get to know your boat and your crew.

Register with us and get on board to participate in Barcolana 57.

From Friday 10th to Sunday 12th October 2025

REGISTER TO TICKET TO RACE

The “TTR” registration fee includes:

- Boat registration to the regatta
- Sailor registration to regatta as a member of the crew
- Presence of a skilled skipper on board

The boat will be moored on the banks of Trieste in the heart of the Barcolana Village

It is possible for competitors, without additional costs, to use the boat on Friday and Saturday nights for an overnight stay (attention: no service included).

The conditions defined in the Notice of Race and the Racing Instructions apply to the individual racer.

Each competitor must provide their own technical equipment.

Hanse 508
