The event is dedicated to the ladies of the sea - from **the large yachts that have sailed the ocean routes** to the **small Lošinj floats**, from the **loving restorations** carried out by local shipwrights to the **hulls designed by Carlo Sciarrelli** and those that have made the history of the **IOR**. **On Saturday 7 October** they will once again colour the sea of Trieste, **first with an exciting parade in Bacino San Giusto scheduled at 10.30 am and then with the traditional regatta** with a coastal route or triangle in the middle of the Gulf, depending on the weather.

For the participants of the **Barcolana Classic** the **SVBG** will provide **free moorings** located in a **dedicated area of the Rive di Trieste**; places are available subject as long as they last and can be **booked by making a request to the organisers**.

Also this year, **Barcolana Classic - Trofeo SIAD** will be celebrated with an **official and dedicated polo shirt, made by the Exclusive Clothing Partner Murphy&Nye**, gifted at registration to each boat owner. Hulls taking part in the Barcolana Classic - in compliance with all the provisions of the Notice of Race of Barcolana 55 presented by Generali - are automatically entered also in the Sunday race, the Barcolana, on 8 October. They will only have to perfect their registration by following the instructions they will receive via email from the organisation.
