**BARCOLANA AND MURPHY & NYE
PRESENT THE BARCOLANA 54 AND BARCOLANA CLASSIC
OFFICIAL POLO SHIRT**

After the great success of the 53rd edition, **the historic partnership between Barcolana and Murphy&Nye is renewed for Barcolana 54**, a collaboration that **began in 1989** when was first introduced the iconic polo shirt that has distinguished every edition since then and has seen Murphy&Nye starring more than anyone else in as many as 13 editions.

As for tradition, this is a **reissue of the Plenty cotton pique polo shirt from 1989**, until now always featured in Murphy&Nye collections with continuous updates and improvements in terms of fit and fabrics used.

It is characterized by a double stripe in contrasting color on the collar and sleeves that echoes the motif of friezes and waterlines of the hulls and, perhaps because of this, has always been highly appreciated by the sailing audience.

This year, for the first time, it will be presented in two different color variations for men and women. Both versions will be **anthracite grey with double aquamarine stripes for men and pink for women**, while for Barcolana Classic in white with double aquamarine stripes for men and pink for women.

The garment features a **breathable 180-gram 100% cotton pique** with double buttons, ribbed sleeve edges, sweatband at the back of the neck, and Barcolana logo embroidered on the chest.

The polo shirt will be provided to all registered owners along with a Murphy&Nye bag.

Bag and polo shirt **will be joined by a limited edition collection made exclusively for Barcolana 54** that includes for both men and women: jackets, vests, sweatshirts, t-shirts, hats and belts.

The collection will be available for sale from August at selected retail stores, on the website www.murphynye.com and on the online shop of www.barcolana.it.
